2019

Nevada Historic

Mining Calendar

SILVERTOP

Hosted by NNeV SME

In support of the restoration of
the SilverTop Headframe and
the students of UNR

Credit: Ralph Bennett

For the 2019 Nevada Historic Mining Calendar the topic will focus on the historic Silver Top headframe. Proceeds will be split 50/50 to the restoration of the historic Silver Top headframe by the Tonopah Mining Park in Tonopah, Nevada as well as competitive scholarships available to students at Mackay School of Earth Sciences & Engineering. The funds from the sale of the calendars have been funding the scholarships and other scholastic functions since 1987 and we are proud to again offer our calendars in 2019.

The 2019 Nevada Historic Mining Calendar will be printed in color in 2019 and include historic, current, and artist representations of the Silver Top mine.

Please complete this form and include with your payment. Calendars will be available at the Northern Nevada SME meeting on December 10th 2018. Early delivery is available upon request.

As always, companies may have their company name, logo, and contact information included on the flap of the calendar when ordering 50 or more copies. Please email your logo (minimum resolution 400x400 jpeg or equivalent) with your completed order form to Tom Rauch, Treasurer at trauch@kcareno.com.

Customer Information:

Name: _____ Company: _____

Address: _____

City: _____ Zip: _____
