

Rotary Club of Tonopah

"Play is the highest form of research." – Albert Einstein

Order engraved bricks to help the Rotary Club of Tonopah fund the restoration of Upper Jim Butler Park. Years ago many children laughed and played basketball and tetherball on the upper level. As time went on and updates were made to parks this beautiful memory was left in the past. Please help us restore the lost part of the park and bring more opportunities for play for children in the years to come.

In this area of Tonopah there are no parks with basketball hoops or tetherball courts. The hope with this project is to be able to give children an opportunity to get out of the house, away from electronics, and provide a healthy and positive outlet for all.

The goal is to bring back a lost and forgotten part of history in this wonderful town as well as providing our residents with a place to gather, play, and enjoy. With the purchase of a personalized brick your message will live on in the Town of Tonopah and inside of Jim Butler Park.
