New Service - Connection & Tapping Fees

Water	\$ 800.00	Per ERU - This fee must be paid prior to Utility installing service.
Sewer	\$ 800.00	Per ERU - This fee must be paid prior to Utility installing service.

Pursuant to the Town of Tonopah - Tonopah Public Utilities Water, Sewer and Reclaimed Water Regulations Sections Nine and Ten - **ERU's** will be calculated by Meter Size and Meter Type. - The Utility will estimate maximum flows, based upon the most current Uniform Plumbing code fixture count. Tapping Fees are in addition to connection fees. **Tapping Fees** include but are not limited to, direct material, labor, equipment, and street repair costs required for the installation of the service. Tapping Fees will be considered rendered during the billing month in which the service installation is completed.
